Dear Mesdames,

We congratulate you on the contents of your excellent show of 8th March, especially the part trying to dispel shame about the vagina. The presenter referred to "the 'C' word", but did not specify it. Why ?

In view of the other words for vagina enunciated by interviewees during that part of the programme, this seems a strange omission. It is an ancient word based on the Latin "cunnus" and French "con." Even my nine year old daughter sometimes uses it, despite the fact that I have never said it in front of her !

Yours for freedom of expression,

Cllr E Goodman
Chair of CAC.
