Dear Jane,

YOUR MAGAZINE "DESIRE"

Thank you for your memorandum. We are shocked by the treatment you are experiencing from the authorities. We will try and help. Meanwhile, have you contacted the Irish Council for Civil Liberties ?

If you have a complaint of harassment, let us know and we will write to the Secretary of State for Northern Ireland (who is an English barrister). If it is the law itself which is at fault, please let us know the name and address of your solicitors and we will obtain from them details of the Northern Irish law in question and add it to the English laws which we are campaigning to change.

Yours for freedom of expression,

Cllr E Goodman  
Chair of CAC
