Campaign Against Censorship
23 Budgen Drive
Redhill
Surrey
RH1 2QB

Dear Councillor Goodman,

Thank you for sending me a copy of your letter to Sir David Steel.

I must correct your statement that the United Kingdom is one of the only countries in the whole continent which has film and/or video censorship. Film classification is compulsory in every country in the EC except Greece, and video classification is also required in most of them.

Yours sincerely

James Ferman
