Dear Mr Haddon,

RE; WHIPLASH CASE AT SOUTHWARK CROWN COURT-APRIL 1996

Thank you for your letter of the 17th May. The cost of the prosecution is public money for which your organisation is accountable. I must therefore insist that you provide me with this information or give a valid lawful reason for continuing to refuse so to do. I intend to pursue this matter and therefore need your specific response to this point.

Yours for democratic accountability,

Cllr E Goodman
