Mr. M. Topa, [sic: Taha.]

Dear Mr. Topa,

Thank you for your recent letter regarding **From Russia with Love** screened Holiday Monday 27th May, and we have noted your comments concerning Carlton's presentation of this film.

Feature films shown on television are not necessarily in the form originally seen in the cinemas. Often several versions are made at the time of production for use according to the intended outlet. In this instance, **From Russia with Love** was a television version of the film. It was deemed suitable for transmission at 5.00 pm, in accordance with the ITC's Family Viewing Policy.

Should you require further information about the Family Viewing Policy and the ITC's Programme Code, you may write to the Independent Television Commission whose address and details are contained in the enclosed leaflet.

Thank you for taking the time to write. Your complaint has been registered.

Yours sincerely,
