Sir,

RE: MRS WHITEHOUSE

In today's Sunday Telegraph Review, page 8, you are reported as stating in a letter to Mrs Mary Whitehouse that you would be very happy to meet her. If such a meeting does take place, for balance we should thereafter be allowed to send a representative to address you. In any event, we assume that you are already aware of the views of Mrs Whitehouse, including her anti-gay attitude.

Yours,

Clr E Goodman (Labour)
