To: The Superintendent
South Norwood Police Station
London SE25

Sir,

RE: ADVERTISEMENTS FOR MASSAGE PARLOURS

We understand that you have written to newsagents in SE25 ordering them to remove from their shop windows advertisements for massage, because some relate to prostitution. Why did you do this? Prostitution is lawful and massage advertisements are displayed in newsagents (and newspapers) throughout the rest of the country.

Yours for freedom of expression (including for masseuses)

Cllr E Goodman
Chair of CAC
