Dear fellow Labour Party Member,

LAP-DANCING

I am the Chair of this Borough's Licensing Sub-Committee. I was disturbed by your comments as reported in "The Croydon Advertiser" of 24th April. I would like to discuss the matter with you, as I believe that Labour Councillors should try and pursue common aims. Please therefore contact me after the election (if you are still Chair of Licensing) and let me know how I can arrange to meet you.

Yours fraternally,

CIlr E Goodman
