Dear Cllr Goodman

Thank you for your letter of 1st January regarding censorship.

As the Director of the British Universities Film & Video Council I am particularly interested in this issue. Would you please forward me further details on the campaign and the work of CAC.

I enclose, for your information, a copy of the recent issue of our journal *Viewfinder*. I hope it will be of interest to you.

I look forward to hearing from you.

Yours sincerely

Murray Weston
