Dear Councillor Goodman,

***OBSCENE PUBLICATIONS***

Thank you for your letter of 3 September 1999 which has been forwarded to me from the ACPO General Office.

I have, indeed, formed a small working group to consider the police position on obscene publications with particular reference to film, photographic and video material. Our work is at a very early stage and we have drawn no firm conclusions about its direction.

However, I am sure it would be very useful for us to meet and discuss the subject. I will ask my secretary to get in contact with you soon to arrange a suitable date and venue.

Yours sincerely,

*Timothy Brain*
