Sir,

RE: FREEDOM OF EXPRESSION

We understand that you are interested in freedom of expression. We therefore enclose details of our organisation. The situation in Britain is serious. It is now one of the only countries in the whole continent of Europe subject to State censorship (especially of cinema films and video recordings). In addition the United Kingdom is the only jurisdiction to proscribe foreign satellite television stations. The Secretary of State for Culture has done so regarding eight stations, including a Russian one !

If you would like more information, please let me know.

Yours faithfully,

Clr E Goodman
Chair of CAC
