Dear Mesdames/Sirs,

The Mark Thomas Comedy Product

We understand that a team from Vera Production will be at the public meeting organised by the British Board of Film Classification in Bristol on Monday, 15th November, to film an item for the programme.

We should be grateful if you would ensure that they know that:

- 1) The Campaign does not support the allegation that applicants for tickets for BBFC meetings have been screened to eliminate opponents of the Board and its work.
- 2) Mr. Dave Bird has not been authorised to speak or act on behalf of the Campaign. His views and tactics are his own.
- 3) Mr. Chris Hardman may wish to act as the Campaign's spokesperson on this occasion. Mr. Hardman is fairly knowledgeable and very enthusiastic but he was co-opted onto the Campaign's National Council less than eight months ago and is not yet fully familiar with our way of working or with policies laid down before he joined.
- 4) The address given below is the Campaign's address. No other address should be used.

If you require further information please contact our Chair, Mr. Ted Goodman, on 0181-681-1500 (this is an office number, please ask for Mr. Goodman by name) or myself on 01329-284471.

Yours faithfully,

May Hayward.
