Cllr E Goodman,

Redhill,

5th December, 1999

Dear Cllr. Goodman,

Thank you for your letter of 26th November. I was interested to read the letter you received from the Home Office.

I hadn't realised that it is only in the case of licensing sex shops that local authorities may decline to license anything at all. Equally, I have noted the comment from Lynda Jackson that the legislation does not empower an authority to refuse to grant or renew such licences on the grounds of morality.

I will continue to take an interest in developments in this field.

Yours sincerely
