Dear Sir/Madam,

BRITISH BOARD OF FILM CLASSIFICATION PUBLIC PRESENTATION London - February 2000

In October you applied unsuccessfully for tickets for the public presentation on the work of the Board. However, we are now in the process of trying to schedule a further meeting in order to accommodate those disappointed first time round. It looks likely that this presentation will take place sometime during the first two weeks in February subject to venue confirmation. Therefore, we would be grateful if you would be kind enough to complete the attached form indicating provisionally whether or not you are still interested in receiving tickets and if so, how many?

We are sorry not to be more definite with a date, but will contact you again as soon as the date is fixed.

Yours faithfully,

Sue Clark
Head of Press & Publicity
