*Dear Ms Hayward,*

Thank you for your letter of 12 November about the possibility of discussing the proscription of foreign satellite television channels.

Unfortunately, due to the heavy pressures on my diary at present I am unable to offer you a meeting. However, Janet Anderson, the Minister with responsibility for Broadcasting would be delighted to meet your delegation. If this is acceptable, perhaps you could contact her Diary Secretary, Oswin Taylor, on 0171 211 6304 to arrange a mutually convenient date.

*Yours sincerely  
Chris Smith*
