Sir,

RE: VIDEO CENSORSHIP

Further to your appearance on Channel 4 television on the 16th, we would be grateful if you could let us have the following information.

Why are you such an enthusiastic supporter of State censorship ?

Why do you believe that licensed sex-shops in this country should only be allowed to sell video recordings which are suitable for children ?

Why do you believe that other Europeans should be allowed freedom of expression, but not the British ?

Yours.
