Dear Cllr Goodman

Thank you very much for your letter. We apologise for our delay in responding. This is due to an unusually high volume of letters, which have created a backlog in the Viewer Enquiry Department here at Channel 4.

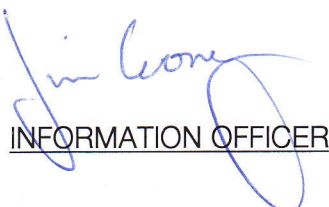

We were delighted to read that you enjoyed AMSTERDAM: CITY OF SIN, and have conveyed your comments and appreciation to all those involved in the commissioning and scheduling of the programme.

We were also sorry to read your concerns.

Please be assured that we do take our responsibilities as a national broadcaster very seriously and as an Independent Television Commission licensee, we must comply with the guidelines set by them. The ITC licences and regulates commercial television in the UK, looking after viewers by setting and maintaining standards for programmes, advertisements and technical quality. In addition to the ITC Guidelines, Channel 4 also works to its own code of conduct, the Channel 4 Legal and Compliance Guidelines.

We hope this helps to put your mind at rest and we thank you for taking the time to write to us here at Channel 4.

Yours sincerely
