F* me... a
£1,000 fine!**

SEASIDE shopkeeper Christopher Ghazilian, 51, has been fined £1,000 for selling naughty T-shirts.

Council officials swooped on his Sex Machine shop in Newquay, Cornwall, after a shocked holidaymaker complained about seeing the rude shirts in the window.

One said: "F*** me, I'm famous" and a second bore the politically-incorrect message: "Say Yes to Women's Lib — Let the bitch go out to work."
