Dear Sir

Thank you for your letter enquiring about the prosecution of the Sex Machine in Newquay. This was in fact a police prosecution.

I understand that the case was investigated by PC D Folland of Newquay Police Station, whose contact number is 08705 777 444. The prosecution was taken under the provisions contained in the Indecent Displays (Control) Act, 1981.

No doubt Newquay Police can provide you with further details if you require them.

Yours faithfully

M J Jeffery
