Dear Sirs,

“THE A-Z OF FREEDOM OF EXPRESSION 2003 EDITION”

It is our duty to point out that this excellent book has a significant error. The details of the R18 Category of the British Board of Film Classification on pages 208-9 is the old one which has since been significantly changed. The 2003 edition of your book should have the up-to-date one, which has been in force for two years.

Yours for Freedom of Expression,

E Goodman
