Dear Mark

Thank you for your recent letter and we are sorry to hear of your concerns.

All programmes prior to transmission on ITV have to be complied to ensure that they meet with the relevant ITC broadcast guidelines in relation to the broadcast time. The cuts made were all to ensure that Grease met with this programme code and we are sorry if they interfered with your enjoyment of the film. If it is any consolation, the full and unedited version (where the distributors are not tied by such constraints) is widely available via commercial outlets.

We shall gladly ensure that your comments are highlighted to ITV controllers in our daily report and thank you for your interest in our services.

Kind Regards

Karen Illingsworth
