Times Education Supplement.

Sir,

YOUR ARTICLE ON FILM CENSORSHIP OF 12<sup>TH</sup> APRIL 2004

I was disgusted to read an article by a journalist advocating State censorship-albeit of non-printed media. Presumably you are sad that it has been abolished in Eastern Europe and you would be willing to submit your own work for the censorship you advocate for others ?

Yours for freedom of expression  
(even for journalists),

E Goodman  
Chair of CAC
