Dear Mr Taken

Thank you for your recent letter.

We were sorry to read that your enjoyment of the film THE PRIME OF MISS JEAN BRODIE was spoilt because of 'cuts'.

Edits to a programme are made for many reasons and on occasions it is necessary to edit programmes accordingly to comply with our broadcast licence, or to fit a programme within the scheduled time slot.

We have however made a note of your concerns, and your comments have been recorded here at ITV.

Once again thanks you for taking the time to write to us.

Yours sincerely

Ellen Brown
