Dear Madam,

RE; PROSTITUTION

Further to your very apposite comments broadcast on the television Politics Show today, it should also be remembered that this country has the biggest prison population in the European Union. It should not therefore be increased it by incarcerating men who pay for sex.

In any event, unlike Sweden, there is no consensus in this country for such a law.

I enclose a copy of the contents my letter to the Home Secretary of 14th September 2007.

Yours faithfully,

Goodman
