Your Ref: Director  
of Warship Series

Sir,

WARSHIP EPISODE MONDAY 14<sup>TH</sup> SEPT 2009

Why did you practise self-censorship by refusing to show the body recovered from the sea? The programme was broadcast after the watershed and thus the incident should either have been shown properly or not at all. To instead merely display people describing the corpse was mere titillation, not honest reporting.

Yours,

E Goodman  
Chair of CAC
