Dear E Goodman

Thank you for your recent enquiry regarding **Warship**.

We were sorry to learn that you were disappointed that no footage of the dead body recovered in Episode 3 was screened. However, no footage of the body was filmed and even if it had been, we do not feel it would have been necessary to include it.

Nevertheless, your comments have been logged in our Viewer Enquiries Report. This is circulated throughout Five.

If there is anything further we can help you with, please do not hesitate to contact us.

Thank you for your interest in Five.

Yours sincerely

Steven
