Dear Sir,

**REMOVAL OF PICTURE OF YOUNG BROOKE SHIELDS
FROM "POP LIFE " EXHIBITION 2009**

Please let us know why you caved in to unofficial police pressure instead of testing the issue in the Courts. This image can be lawfully exhibited in other countries and could have been defended here under one of the exemptions in the Child Protection Act.

In any event, for the record, we would like a copy of the original catalogue for the CAC library.

Yours for freedom of expression,

**E Goodman
Chair of CAC**
