Dear E Goodman,

Thank you for your recent letter concerning the Peacock obscenity trial.

The role of the BBFC is not to decide the law but to comply with it, and in this we will be guided by the law enforcement agencies. In relation to this case, the Crown Prosecution Service has stated that the fact that a jury has acquitted someone does not mean that the guidance is incorrect.

There are no current plans to revise our Guidelines.

Thank you for your interest.

Yours sincerely
