The Director Sky News B Sky B

Grant way, Isleworth Tw7 5QD

Sir,

RE; NIPPLES

Why were the breasts of Femen demonstrators at the Strauss-Kahn trial pixillated on Sky television news ? They (and the message on them) were shown in the printed media. (See enclosed photo in Evening standard of 10<sup>th</sup> February 2015). Whom are you trying to protect from what ?

Yours for freedom of expression,

E. Goodman

Chair of CAC.
