Sir,

AUDIOVISUAL MEDIA SERVICES REGULATIONS 2014

I am a member of the Haldane Society and was appalled at the omission of mention of the above from the "Socialist Lawyer" of February 2015. These regulations impose State censorship of British internet sites and have resulted in the closure of several. I enclose details of the demonstration outside Parliament of 12th December 2014 (the day the regulations came into force).

Yours for freedom of expression,

E. Goodman.
