Julian Huppert MP
House of Commons
London SW1A 1AA

Sir,

AUDIOVISUAL MEDIA SERVICES REGULATIONS 2014

We applaud your effort to repeal the above and would like to be kept informed of any progress you are making. We have written protest letters to the Secretary of State for Culture and the BBFC (which defines prohibited material). No other Western country has such State censorship of the internet.

Yours for freedom of expression,

E. Goodman
Chair of CAC.
