The Director, Liberty

26 Strutton Ground

London SW1P 2HR

Dear Madam,

DIGITAL ECONOMY BILL

I am a long-standing member. Please let me know what action Liberty is taking against the amendment allowing the blocking of minor-excluding websites by the British Board of Film Classification. It is a private company, exempt from the Freedom of Information Act, and prohibits the depiction of much lawful material (eg ball-gags face-sitting and female ejaculation).

New Year Greetings,

Edward Goodman

(Chair of Campaign Against Censorship).
